

SRI YOGA NRUSIMHA SUDARSHANA YANTRA PUJA

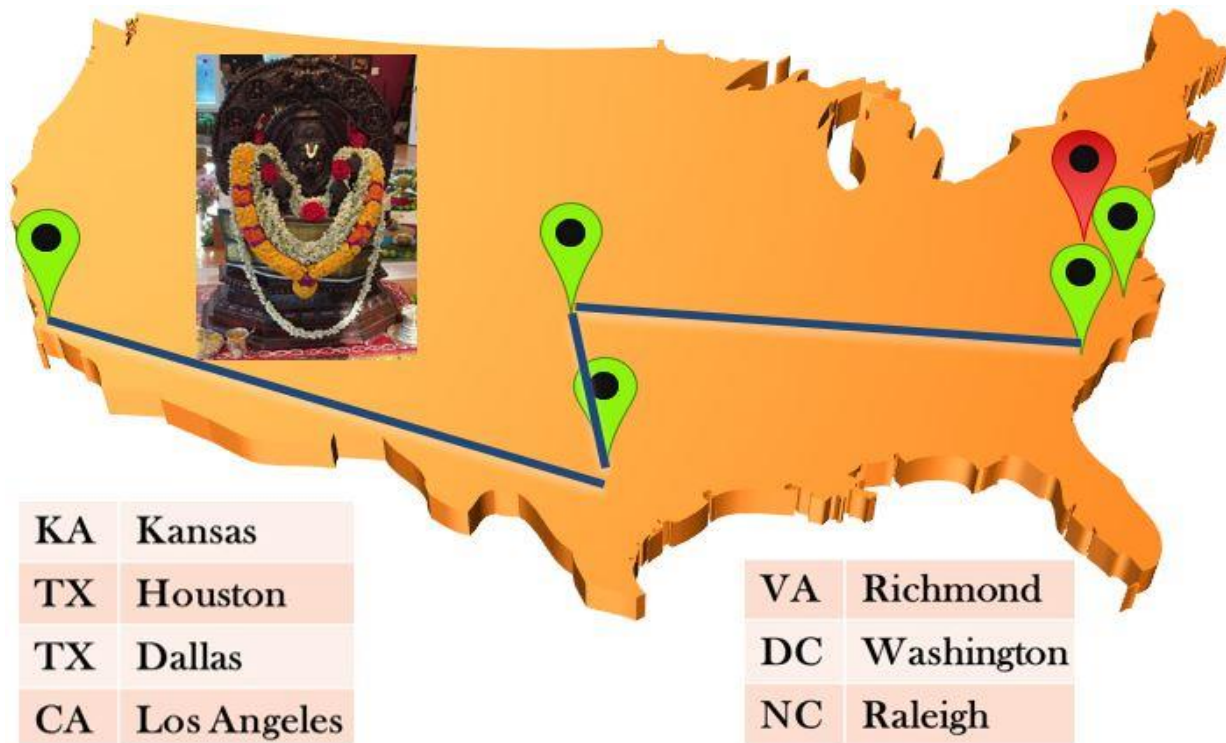

Sudarshana Yantram

Yogananda Nrusimha

We are traveling across US bringing Yantra Puja and Yogananda Nrusimha to your home to spread joy and blessings. We have 2 ways we can do the puja depending on time and resources.

Option 1: (with Yantra Puja)

We will be performing a unique Sri Yoga Nrusimha Sudarshana Yantra puja. **This is a powerful combination of Nrusimha Swamy together with Sudarshana.** The prayer includes recitation of several unique and special mantras that benefit people and purify surroundings. These are special prayers primarily for health and prosperity in each and everyone's household. This puja also cleanses and clears the house of negative energies and pulls people out of any negative emotions (grief, sadness, depression) and brings peace and happiness to the family.

This option of yantra puja involves preparing Sudarshana Yantra (as shown in the top right picture) using candles, and decorating it with colorful flowers. This puja also involves invoking navagraha devatas first, and then performing pancha dravya abhishekams and aradhana to powerful Saligramas and vighrams.

The puja ritual takes about 4 ~ 6 hrs including setup time.

Option # 2: (without Yantra puja)

This option excludes the special Sudarshana yantra puja with candles. We will perform puja bringing in Yogananda Nrusimha Swamy idol and performing Saligrama and other vighraha abhishekams and Aradhana. **Puja ritual takes about 2 ~ 3 hrs. including setup time.**
